ENVIR-O-SIL — Modified Bitumen

Roofing System: ENVIR-O-SIL — Modified Bitumen

Proposed Warranty Option: 15 Year

Application Method: Roll

Roof Area: 5,000 SF

Proposed ENVIR-O-SIL — Modified Bitumen applied by roll. Final quantities remain subject to stated assumptions and field verification where required.

Estimated Customer Price **$24,831.33** $4.97 / SF

Estimate Notes

Assumptions: Manual roof area and roof conditions require verification. Blank optional quantities are unmeasured and may exclude required work.
Exclusions: Unmeasured repairs and concealed conditions.
Manufacturer warranty qualification: The proposed warranty option is subject to manufacturer eligibility, application requirements, inspection and separate issuance. This estimate does not issue a manufacturer warranty.
Budgetary qualification: Budgetary estimate only. This is not a construction agreement, customer acceptance or authorization to begin work. Final scope and contract terms require separate review and approval.

Customer Acknowledgment

Customer signature (acknowledgment only)

Date

Acknowledgment of this budgetary estimate does not authorize construction or replace a separately approved agreement.
